## Project Viva of MAPC programme

# Project Viva of MCA New, MCA & BCA programme

The image shows a Google Meet interface during a presentation. The main window displays a Jupyter Notebook titled 'hand.gesture.ignou' with Python code for hand gesture recognition using OpenCV. The code includes comments in Hindi and English, and a video feed of a person with green bounding boxes around their hand. The text 'Undefined gesture' is visible on the video feed. The notebook output shows a list of contours and a hand mask. The bottom status bar indicates the time is 12:43 PM and the topic is 'PROJECT VIVA VOCE OF MCA\_NEW FOR DEC 2023'.
