Monitoring of MSCZOO & BSCG Practical counseling at Study Centre (2708) UP College Varanasi.

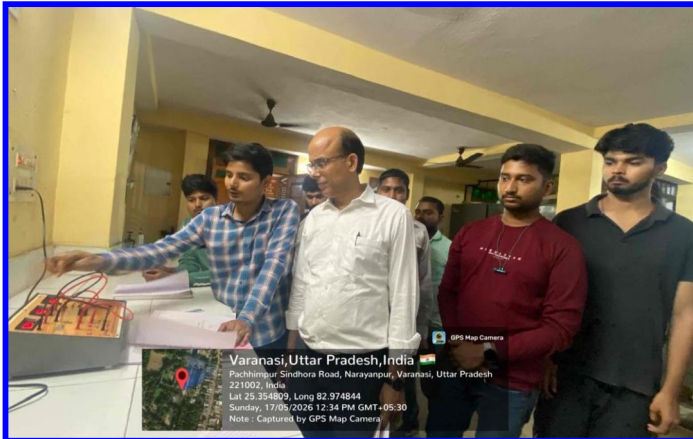

Dr. Upendra Nabh Tripathi, Regional Director monitored practical of second year MSc Zoology programme and BSCG (Chemistry, Physics and Biochemistry) at Study Centre UP College Varanasi on 17th May 2026. Dr. Tripathi interacted with the students and apprised them about the importance of practical and hands-on training in MSc Zoology & BSCG programme. During the monitoring of MSc Zoology practical, students demonstrated the use of PCR (Polymerase Chain Reaction). Total 135 MSc Zoology students were attending the practical counseling sessions.

In other laboratories IGNOU students were performing the practical of BSc Chemistry, Physics and Biochemistry under the guidance of Academic Counsellors. Practical of IGNOU BSc makes a solid foundation of students in practical skills and basics of science subjects. Total 78 students of BSCG Chemistry, Physics and Biochemistry programmes attended the practical counseling at the study centre. In Chemistry students were performing a Titration experiment. In Physics electric conduction experiments were being performed by students. In Biochemistry students were learning about functioning and details of compound microscopy.
