### Monitoring of MSc Zoology & BSCG practical counseling at Study Centre UP College Varanasi

Regional Director Dr. Upendra Nabh Tripathi monitored practical of second year MSc Zoology programme and BSCG (Botany, Chemistry and Physics) at Study Centre UP College Varanasi on 6<sup>th</sup> January 2026. Dr. Tripathi interacted with the students and apprised them about the importance of practical and hands-on training in MSc Zoology & BSCG programme. Dr. Tripathi also gave suggestions for improvement and discussed with the Head of the Institution about the upgradation of the laboratory instruments in the practical lab. In MSC Zoology entomology practicals were being attempted by the students. MSC Zoology is a very popular programme in the region and a total 76 students were attending the practical counselling sessions.

In BSC Botany students were performing the practical of protein estimation and in BSC Chemistry Titration experiments were being done by the students under the guidance of Academic Counsellors. In BSC Physics students were measuring the deflection of light through prism. About 48 students of BSCG programme attended the practical counseling at the study centre.
