Academic and Exam Monitoring Visit of Regional Director, Regional Centre Varanasi

Report

Dr. U. N. Tripathi, Regional Director, IGNOU, visited the IGNOU Study Centre 48026 at LBS College, Mughalsarai, Chandauli to review and inspect the ongoing Term End examination Dec 2025 arrangements on 23.12.2025 Forenoon.

During his visit, Dr. Tripathi inspected the examination rooms where the examinees were writing their examinations. He carefully examined the seating arrangements and overall conduct of the examinations to ensure compliance with the University's prescribed norms and standards.

He also checked the storage and handling of question papers and other confidential examination materials. The Regional Director emphasized the importance of maintaining complete confidentiality and security of all examination-related materials.

Dr. Tripathi instructed the Centre Superintendent to ensure that the examinations are conducted strictly in a standard manner as per IGNOU guidelines. He further advised the staff to remain alert, vigilant, and responsible throughout the examination process.

Dr. U. N. Tripathi also monitored the progress of Assignment evaluation at the study centre for TEE December- 2025. He also checked the record of submitted assignments and the assignments which were forwarded for evaluation to different Academic Counsellors.

Towards the end of the visit, Dr. Tripathi held a discussion with the Centre Coordinator and staff regarding new admissions and re-registrations for the January 2026 session. He stressed the need to create awareness among the public for new admissions. He suggested organizing admission camps, admission awareness drives, and using social media and other communication platforms to reach a wider audience and encourage prospective learners to enroll in IGNOU programmes. Issues related to some students were also addressed and resolved on the spot.

The visit was constructive and motivating, and the guidance provided by the Regional Director will help in improving examination management as well as strengthening assignment evaluation and admission outreach activities at the centre.
