Learning material is specially prepared by teams of experts drawn from different universities and specialized institutions in the area spread throughout the country as well as in-house faculty. The material is scrutinized by the content experts, in -house faculty and edited by the language experts at IGNOU before these are finally sent for printing. Similarly, audio and video materials are produced in consultation with the course writers, in-house faculty and producers. The material is previewed and reviewed by the faculty as well as outside experts and edited/modified, wherever necessary, before they are finally dispatched to the students, Study Centres and Telecast through Gyan Darshan.

1.7 Credit System

a) Defining Credit in ODL

The University follows the 'Credit System' for most of its programmes. Each credit in our system is equivalent to 30 hours of learner study comprising all learning activities (i.e. reading and comprehending

the print material, listening to audio, watching video, attending counselling sessions, teleconference and writing assignment responses). Thus, a 4-credit course involves 120 hours of study and a 6-credit course involves 180 hours of study. This helps the learner to know the academic effort he/she has to put in, to successfully complete a course. Completion of an academic programme (Degree or Diploma) requires successful completion of the assignments, practical, projects and the Term-End Examination as per requirement of each course in a programme.

b) Choice Based Credit System (CBCS)

The Bachelor's Degree Programmes offered through this prospectus follow the Choice Based Credit System (CBCS) introduced by UGC. The CBCS provides the learner with flexibility to study the subjects/courses at their own pace; greater choice of inter-disciplinary, intra-disciplinary and skill-based courses; and mobility to different institutions for studies. The system has the following advantages:

* Allows learners to choose a combination of inter-disciplinary, intra-disciplinary courses, skill oriented courses (even from other disciplines according to their learning needs, interests and aptitude).
* Makes education broad-based and at par with global standards.
* Offers flexibility for learners to study at different times and at different institutions to complete the programme. Credits earned at one institution can be transferred to another institution.

1.8 Support Services

In order to provide individualized support to its learners, the University has a large number of Study Centres, spread across the country. These Study Centres are coordinated by 67 Regional Centres and Recognised Regional Centres. At the Study Centres, the learners interact with the Academic Counselors and other learners, refer to books in the Library, watch/listen to video/audio programmes and interact with the Coordinator on administrative and academic matters. The list of Regional Centres is given in this Prospectus. Support services are also provided through Work Centres, Programme Study Centres, Skill Development Centres and Special Study Centres.

In case the number of students enrolled in a program is small, the University shall provide Technology Enabled Learner Support (TELS) through Gyan Darshan / Gyan Vani / Swayam Prabha/ Web based support.

1.9 Programme Delivery

The methodology of instruction in this University is different from that of the conventional Universities. The Open University system is more learner-oriented and the learner is an active participant in the pedagogical (teaching and learning) process. Most of the instructions are imparted through distance education methodology as per the requirement.

The University follows a multimedia approach for instruction, which comprises:

a) Self Instructional Printed Material: The printed study material (written in self-instructional style) for both theory and practical components of the programmes is provided to the learners in the form of a single print book and/or e-book, comprising blocks and units or in the form of separate printed blocks for every course (on an average 1 block per credit). A block which comes in the form of a booklet usually comprises 3 to 5units.

Audio-Visual Material Aids: The learning package contains audio and video programmes which have been produced by the University for better clarification and enhancement of understanding of the course material given to the learners. A video programme is normally of 25-30 minutes duration.

b) The Video content is available on eGyan kosh (www.egyankosh.ac.in) – the digital learning repository of the University.

The video programmes are also telecast on National Network of Gyan Darshan and Swayamprabha channels. All Gyan Vani stations broadcast curriculum-based audio programmes as per their schedule that is notified in advance. In addition, some selected stations of All India Radio also broadcast the audio **programmes.** Learners can confirm the dates for the programmes from their study centres. The information is also provided through the university website.

c) Counselling Sessions: Normally counselling sessions are held as per schedule drawn by the Study Centres. These are mostly held outside the regular working hours of the host institutions where the study centres are located. **However, in case the number of students in a programme is small, face-to-face counselling shall not be organized. In such cases the University shall provide**

d) **Teleconferences:** Live sessions are conducted via satellite through interactive Gyan Darshan Channel as well as simultaneously webcaste at http://ignouonline.ac.in/ and via Facebook Live sessions.

e) **Practicals/Project Work:** Some Programmes have practical/project component also depending upon the learning requirements. Practical sessions are held at designated institutions for which schedule is provided by the Study Centres. Attendance at practical sessions is compulsory. For project work, comprehensive project guide, in the form of a booklet, is provided to the learner along with the study material.

1.10 Web Enabled Academic Support (WEAS)

To provide technology based academic support to the learners of the distance mode programmes, IGNOU has initiated a scheme of Web Enabled Academic Support (WEAS) for various ODL programmes of IGNOU. WEAS is a Single Window Platform providing various kinds of academic support including the study material, audio-video, quiz, discussion forum, calendar of activities, web-based video counselling, links of various web-based resources to the distance learners by using simple and easily available ICT tools. The students enrolled in programmes being offered through WEAS are given access to their programme specific portal in which they are provided with course material in digital format, video and learning resources. The portal enables online peer-to-peer interaction and discussion, it also gives an opportunity to the students to learn online and interact virtually with teachers and experts. To access WEAS click the link -   https://sites.google.com/ignou.ac.in/weas

1.11 Evaluation System

The system of evaluation followed by the University also is different from that of conventional universities. IGNOU has a multitier system of evaluation.

1. Self-assessment exercises within each unit of study material.

2. Continuous evaluation mainly through assignments which are tutor-marked, practical assignments and seminar/ workshops/extended contact programmes, etc.

3. Term-End Examinations (TEE).

4. Project / Term-end Practical examination.

The evaluation of learners depends upon various instructional activities undertaken by them. A learner has to write assignment responses compulsorily before taking Term-End Examinations from time to time to complete an academic programme. A learner has to submit Tutor Marked Assignments (TMA) responses to the Coordinator of the Study Centre to which s/he is attached. **Term-end examination is conducted at various examination centres spread all over the country and abroad in June and December every year.**

IGNOU uses the following system of "Grading" for evaluating learners' achievement

Letter Grade	Qualitative Level	Point Grade
A	Excellent	5
B	Very Good	4
C	Good	3
D	Average	2
E	Unsatisfactory	1

For Bachelors' and Masters' degree programmes, normally the system of numerical marking is followed, and the marks secured in assignments, TE Exams, etc. are later converted into grades as per the five-point grading scale given above. However, if required by the learner, the university provides numerical marks and division (I, II or Pass).

IGNOU uses 10-Point Grading System for evaluating learners' achievement for Bachelor Degree Programmes under CBCS, as under:

10-Point Grading System of IGNOU as per UGC-CBCS Guidelines

Letter Grade	Numerical Grade	Percentage
O (Outstanding)	10	$\geq$ 85

* 1. As per CBCS, in disciplines such as Botany, Chemistry, Geology, Physics and Zoology, where Laboratory work is compulsory, a 06 Credit Course is offered as a combination of two Courses in the same subject area: a 04 Credits Theory Course and a 02 Credits Laboratory Course. Both these courses in a given subject area of a discipline are to be taken together compulsorily.

2. Every course offered by the Mathematics discipline, which does not require Laboratory work, is a single course of 06 Credits which includes 01 Credit worth of Tutorials.

3. In the Geography discipline, some subject areas do require Laboratory works whereas, some subject areas do not require any Laboratory work. Therefore, the Courses of the Geography discipline are of two types: a) Courses which require Laboratory work – Each such Course is a combination of a 04 Credits Theory Course and a 02 Credits Laboratory Course (both these are to be taken together compulsorily); and b) Courses which do not require Laboratory work – Each such Course is of 06 Credits and includes 01 Credit worth of Tutorials.

3.9 Bachelor of Arts English (Honours) (BAEGH) School of Humanities (SOH)

The University offers a Bachelor's Honours Degree Programme in English (**BAEGH**) in addition to a number of other disciplines. Information pertaining to the Programme is given below:

Objectives (**BAEGH**): With a substantial number of courses drawn from a single discipline (English), and a few interdisciplinary and skill-based elective courses, the Bachelors Honours programme (English) is designed to give an in-depth knowledge in that discipline while allowing for exposure to subjects beyond the discipline as well. The Honours programme has the following general objectives:

1. To introduce the learner to main themes and topics in the discipline of English through core, discipline-centric electives, ability/skill enhancement and generic courses.

2. To facilitate the learners to work towards ability and skill enhancement through exposure to appropriate courses in humanities and social sciences.

3. Introduce learners to reading and writing skills through assignments and exercises at an undergraduate level.

4. Expose the learners to the importance of interdisciplinary study by enabling them to offer courses outside their disciplines.

Eligibility: 10+2 or its equivalent

Medium of Instruction: English

Duration: Minimum 3 years and Maximum 6 years; offered in both January and July cycle of admission.

Fee Structure: A total of Rs. 10,500/- is to be paid year-wise for the full programme, @ Rs.3,500/year. Fee to be paid in the first year including a registration fee of 200/- is Rs.3,700/-.

The University follows the credit system for offering all its programmes. One credit is equal to 30 hours of learners' study time. To earn BA (Honours) Degree in a discipline, a learner has to complete courses worth 148 credits in a minimum of six semesters (three years). The students have to complete 22 credits each in first and second semesters; 28 credits each in third and fourth semesters; and 24 credits each in fifth and sixth semesters.

The Honours programmes have a mix of courses. For earning 148 credits, a student has to study the following categories of courses:

a) Core Courses (**CC**)

b) Discipline Specific Electives (**DSE**)

c) Ability Enhancement Compulsory Courses (**AECC**)

d) Skill Enhancement Courses (**SEC**)

e) Generic Electives (**GE**)

A learner can choose BA Honours programme in any **ONE** of the following Disciplines: Economics, English, Hindi, History, Political Science, Psychology, Public Administration, and Sociology. The study load of the Honours programmes varies from semester to semester. Once the Discipline is chosen, the learner has to take the courses under categories (a) Core Courses and (b) Discipline Specific Elective Courses from that Discipline **ONLY** in all the semesters.

Core Courses (CC)

The programme has 14 core courses. Each core course is of six credits. These courses cover more than half of the programme, 84 credits (14 courses x 6 credits) out of 148 credits of the programme.

Discipline Specific Elective Courses (DSE)

Discipline Specific Elective Courses (DSEs) are on offer in the fifth and sixth semesters of the programme. The 4 DSEs are specific (or specialized or advanced or supportive) to the discipline or subject of study and provide an extended scope. They are of 6 credits each (6 courses x 4 credits) and will thus be 24 credits in all.

Ability Enhancement Compulsory Courses (AECC)

Ability Enhancement Compulsory Courses are of four credits each. As the name suggests, the Ability Enhancement Compulsory Courses (AECCs) are compulsory for all learners. There are two AECCs on offer, one each in the first and second semesters. With one course in the first two semesters each, (2 courses x 4 credits), the AECC courses will add up to 8 credits in all.

Skill Enhancement Courses (SEC)

Skill Enhancement Courses (SECs) are also ability enhancement courses. These are value-based and/or

skill-based courses and are designed to develop competencies and skills. Each Skill Enhancement Course (SEC) is of four credits. These courses are on offer in the third and fourth semesters. One SEC in each semester (2 courses x 4 credits) will add up to 8 credits.

Generic Electives (GE)

Generic Electives (GEs) are the other type of electives that are on offer in the first, second, third and fourth semesters of the programme and are of 6 credits each. These courses are inter-disciplinary in nature and provide an exposure to other disciplines/subjects With one course in each of the first four semesters, (4 courses x 6 credits), GE will come to 24 credits in all.

SEMESTER-WISE COURSE OPTIONS

In each semester, the students have to study four 4 courses in all from different categories of courses except in the third and fourth semesters when the number of courses goes up to 5. While the courses under CC, DSE and GE Categories are of 6 credits each, the courses under AECC and SEC are of 4 credits each. While the fourteen CCs are distributed across the six semesters, the four DSEs are available in the fifth and sixth semesters only. There will be a number of SECs and the GEs available in the common pool in each of the semesters in which they are offered. A student has to opt for only one GE for study in each of the first four semesters and one SEC during the third and fourth semesters of the programme. The university will be adding new SECs and electives (DSEs and GEs) to the existing pool of courses from time to time. The study load in the first and second semesters will be 22 credits each and while the credit load in the third and fourth semesters will be enhanced to 28 credits each, it will come down to 24 credits each in the fifth and sixth semesters. Thus the total study load will come to 148 credits. The following Table presents the **CODES** and **TITLES** of credit load and semester-wise courses available for BA Honours (English):

4.16 Master of Science (Counselling and Family Therapy) (MSCCFT)
School of Continuing Education (SOCE)

The M.Sc. programme in the area of Counselling and Family Therapy is aimed at developing professionals in this vital field, which is gaining greater salience in the present times both from social and employment perspectives. The contemporary social scenario has resulted in an increased need and demand for professional support in terms of counselling and family therapy, which is being increasingly recognized as an effective approach both for promoting positives like strengthening family ties, fostering positive parenting, and increasing resilience of individuals in vulnerable situations as well as for addressing negative aspects such as socio-psychological problems, maladaptive behaviours, declining mental health, and psychosomatic disorders that are being increasingly witnessed in the present times. However, though the need for counselling and family therapy professionals is being increasingly felt, there is a dearth of professional support and experts who could lend a helping hand in promoting positive family processes and help individual family members in distress in a comprehensive way. As a result, there is a tremendous felt need for education and training in this area. By developing the requisite knowledge, understanding, attitudes and skills in the area of Counselling and Family Therapy, this unique programme of study would help to train professional cadres in the field, equipping them for both wage-employment and self-employment, and thus fill the existing lacuna.

A remarkable feature of this programme of study is its focus on the applied aspect and the thrust on opportunities for hands-on experience for the learner. In fact, almost half the credits of this Master's Degree Programme are ear-marked for application-oriented learning opportunities. In the second year of the programme, the learner has the option to be trained in Marital and Family Therapy and Counselling, Child and Adolescent Counselling and Family Therapy or Substance Abuse Counselling and Family Therapy. Yet another special feature of the programme is that it has a provision of exit point for learners (after successful completion of the first year courses) in the form of
P.G. Diploma in Counselling and Family Therapy (PGDCFT). The programme has theory, supervised practicum, internship, and dissertation as components.

Eligibility: Bachelor's degree in any subject from a recognized University.

Medium of Instruction: English

Duration: Minimum 2 years and Maximum 4 years; offered only in July cycle of admissions.

Fee Structure: Rs. 33,600/- for full programme to be paid year wise @Rs. 16,800/- per year.

Master of Science (Environmental Science) Programme aims at generating skilled man power to tackle the growing environmental and developmental problems and changes arising from the transition to a sustainable society. This programme will give an insight into the socio-economic causes and the characteristics of pollution and degradation of the natural environment, including the effects on human beings, the atmosphere, ecosystem and the other organisms. The programme will provide learners with the necessary means to develop the capacity to carry out independent assessments on environmental issues. In addition, learners will be well equipped to analyze and assess environmental systems and problems; be able to propose sustainable solutions to environmental problems; and contribute to the development of policies and strategies for environmental planning. Being an interdisciplinary field of knowledge, environmental science includes specializations with multidisciplinary scope in which the students will learn to address the challenges of maintenance of environmental integrity for sustainable development in relation to human activities.

Programme Objectives:

- To equip the learners with knowledge and understanding of the physical, chemical and biological processes of the environment
- To expose the learners with theoretical principles involved in air, water and soil pollution and monitoring systems
- To emphasize the principles and practices involved in sustainable natural resources management and environmental management

4.26 Master of Arts (Women and Gender Studies) (MAWGS)
School of Gender & Development Studies (SOGDS)

Women's & Gender Studies are emerging and growing areas of academic inquiry today. The modular MAWGS programme is aimed at students with a Bachelor's degree in any discipline with an interest in this area. The programme will acquaint students with the academic area of women's and gender studies and its history, theoretical premises and progression to present day status. It is expected that learners who have completed the MA programme would have a deeper understanding of formulations of empowerment. They would have been exposed to cultural, literary, political and socioeconomic dimensions within gender frameworks through either one of the two specialisations. This degree will equip students with the ability to deconstruct the complex power hierarchies and relationships operating in society, from the perspective of women and gender.

Career Options

Students completing the Master's Degree will be able to pursue higher studies and research programmes, find employment with government agencies, corporate sector, advocacy assignments through national and international non-profit organisations, pursue careers in teaching, writing, editing, mass media or opt for other appropriate career options.

Modular Structure and Specializations

This is a 66 credit two year programme. The first year consists of core, foundational courses which will equip learners with an analytical and critical understanding of theoretical and conceptual issues related to women's and gender studies in an inter-disciplinary context. Due to the progressive nature of the programme, students are required to complete the core foundation courses to be offered sequentially in semester 1 and semester 2 before proceeding further. Learners who successfully complete the requirements of the 34 credit first year curriculum (32 credits of coursework + 2 credits for Project Work) may exit with P.G.Diploma in Women's & Gender Studies. Thus, learners may exit at this point or continue for the 2nd year to earn the MA degree in Women's & Gender Studies.

After completion of the first year curriculum, learners may choose one of two specializations namely, "Gender, Literature & Culture" or "Women's Studies". The courses offered in the third and fourth semesters are specific to the individual specializations. The specialization in "Gender, Literature and Culture" enables students to familiarize themselves with salient topics in the humanities from the perspective of gender. Courses in third and fourth semesters enhance their critical understanding of important issues such as marginalized cultural spaces, relationship between gender and the nation, gender and discourse (especially literary), and the mutually constructive relationships between literature, culture and society. The specialization in "Women's Studies" exposes students to multidisciplinary approaches of addressing historical and contemporary women's issues. It equips the students in conceptualizing and developing analytical skills required to understand women's issues through theory, praxis, research and practicum.

4.27 Master of Arts (Gender and Development Studies) (MAGD) School of Gender & Development Studies (SOGDS)

The programme is likely to be of interest to academics and researchers; trainers, facilitators, supervisors; staff of organizations working in the area of gender and development; government personnel; personnel working in banks and financial institutions.

Development policies and practices have a differential impact on women and men. This necessitates an understanding of the "gender gap" in access to resources, privileges, entitlements and choices. Consensus has evolved around the need to explore the "gender gap" in key development sectors and how this gap can be bridged. There is now greater emphasis on mainstreaming gender perspectives into the development process. This will contribute to building a gender-sensitive rubric of development, recasting development theory and action in the "direction of improved living standards, socially responsible management and use of resources, elimination of gender subordination and socioeconomic inequality as well as to promote the organizational restructuring required to bring about desirable change."

Exploration of gender issues has become an important activity for most non-governmental organizations. Increasing emphasis is being laid in Governmental agencies on establishing gender-differential impacts and taking positive, affirmative action towards gender equality and equity. It is now widely acknowledged that gender considerations need to be reflected in all development plans, programmes and policies. There is growing concern over the isolation of women in so-called "soft" sectors in education, employment and development rather than mainstreaming gender concerns across all organizations, institutions and activities. While the concerns are clearly articulated,

national goals and the UN millennium/sustainable development goals cannot be achieved without concrete effort towards gender equality.

Achieving gender equality and gender equity requires multi-pronged approaches and strategies. One of the key approaches and strategies revolves around design and development of suitable educational programmes that equip practitioners and policy makers with the requisite knowledge and skills to make a valuable contribution in this sphere. The Master's/ Postgraduate Diploma programmes would make an excellent foundation for analyzing, critically assessing existing development interventions and promoting gender-sensitive/gender-based research and action. The strong focus envisaged on positive affirmative action would be of considerable significance.

Programme Objectives:

The programmes seek to enable learners to:

- analyze extent of gender-sensitivity of development interventions;
- conduct gender analysis;
- critically analyze gender differentials in selected development sectors;
- identify appropriate research designs and methodologies for a range of research problems;
- suggest positive affirmative action in development planning and practice to promote gender equity and equality.

5.2 Post Graduate Diploma in Counselling and Family Therapy (PGDCFT)
School of Continuing Education (SOCE)

The Post Graduate Diploma in Counselling and Family Therapy is aimed at developing professionals in this vital field, which is gaining greater salience in the present times both from social and employment perspectives. The contemporary social scenario has resulted in an increased need and demand for professional support in terms of counselling and family therapy, which is being increasingly recognized as an effective approach both for promoting positives like strengthening families, fostering positive parenting, and increasing resilience of individuals in vulnerable situations as well as for addressing negative aspects such as socio-psychological problems, maladaptive behaviours, declining mental health, and psychosomatic disorders that are being increasingly witnessed in the present times. However, though the need for counselling and family therapy professionals is being increasingly felt, there is a dearth of professional support and experts who could lend a helping hand in promoting positive family processes and help individual family members in distress in a comprehensive way. As a result, there is a tremendous felt need for education and training in this area. By developing the requisite knowledge, understanding, attitudes and skills in the area of Counselling and Family Therapy, this unique programme of study would help to

train professional cadres in the field, equipping them for both wage-employment and self-employment, and thus fill the existing lacuna.

A unique feature of this programme of study is that on successfully completing it, the learner can enroll for the second year of M.Sc. in Counselling and Family Therapy [M.Sc. (CFT)], in subsequent session through credit transfer, as per University Rules.

Eligibility: Bachelor's degree in any subject from a recognized University.

5.20 Post Graduate Diploma in Animal Welfare (PGDAW)
School of Extension and Development Studies (SOEDS)

Animal welfare education is a multidisciplinary subject which is evolving rapidly with the core components of welfare science, welfare ethics, welfare laws and welfare standards. Animal welfare can be applied to all animal species, sometimes preceded by 'farm' or 'companion' or other words to denote to which group of animals the term is specifically referring. In general, however, we are concerned about the welfare of all animals that are managed in some way by humans, and where we have particular responsibilities for their care. In the past, greatest concern about animal welfare has been related to livestock production in agriculture, and thus 'farm animal welfare' has received the most attention. Over time, welfare issues pertaining to working, performing, companion, zoo and lab animals have also received attention. Keeping all this in view, the PGDAW programme covers welfare science, ethics, laws and standards of all managed animals like cattle and buffaloes; sheep and goat; pigs; poultry; working, performing, pet, zoo and lab animals.

7.14 Post Graduate Certificate in Medical Management of CBRNE Disasters (PGCMDM) School of Health Sciences (SOHS)

The term CBRNE stands for 'Chemical Biological, Radiological, Nuclear and Explosive'. Disasters related to such agents can occur accidently. However, when used intentionally they become agents of mass destruction.

CBRNE disasters are ill-understood, diagnosis is difficult and very little management tools exist to manage these disasters, including medical management. Medical management of CBRNE disasters require specific knowledge and skill set that is not covered in the undergraduate curriculum. India is particularly vulnerable to CBRNE attacks. Thus, society and governments need to create special provisions to deal with them.

In light of the above facts, IGNOU in collaboration with Institute of Nuclear Medicine and Allied Sciences (INMAS), Defence Research and Development Organisation (DRDO) and active support from Integrated Defence Staff (IDS) have developed a 6 months PG Certificate programme in Medical Management of CBRNE disasters through open and distance learning for MBBS doctors.

- discuss regarding the medical counter measures, detection equipments and SOPs of medical management of CBRNE impacts.
- deliver first aid and initiate immediate life saving responses to a CBRNE disaster
- develop competencies on protection, mitigation and medical management of CBRNE casualties
- get sensitized about the current R&D initiatives and future directions.

Target Group

- Medical personnel & students engaged in or interested in disaster medical management
- Doctors in armed forces, police forces, health services, railways, airports/ports, & NDRF or State disaster forces who have to or can be called on to respond in face of CBRNE disasters.

Non Governmental Organizations (NGOs) play an important role in various developmental issues across the states in India. VAN (Voluntary Action Network India), an apex body of Indian voluntary organizations estimates that there are 1.2 million NGOs working in India. As per the data available with the planning commission, there are more than 12,000 NGOs in the country. In view of the increasingly important role of the voluntary sector in the developmental process, all levels of policy making have stressed the importance of building its capacity to face the developmental challenge.

The emphasis of the management education process hither to, had been limited to the private sector and or large public undertakings. The capacity building efforts for the voluntary sector have remained limited to organizing workshops and training programmes and formal course work in universities. मानव संसाधन विकास मंत्रालय, भारत सरकार

प्रेस नोट

राष्ट्रभाषा हिन्दी के प्रचार-प्रसार और विकास की दिशा में स्वैच्छिक हिन्दी संस्थाओं का महत्वपूर्ण योगदान रहा है। स्वतंत्रता प्राप्ति के बाद इन संस्थाओं में हिन्दीतर क्षेत्रों में हिन्दी को लोकप्रिय बनाने के लिए काफी प्रयत्न किये हैं। इसी परिप्रेक्ष्य में कुछ स्वैच्छिक हिन्दी संस्थाओं द्वारा संचालित हिन्दी परीक्षाओं को भारत सरकार में मान्यता प्रदान की है। ताकि लोगों को हिन्दी का ज्ञान हो सके और इसके माध्यम से रोजगार प्राप्त कर सके। भारत सरकार ने हिन्दी शिक्षा समिति की सिफारिश और संघ लोक सेवा आयोग की सहमति से इन संस्थाओं द्वारा आयोजित कुछ परीक्षाओं को 1960 से मान्यता देना शुरू किया ताकि इन परीक्षाओं को पास करने पर उम्मीदवार उन सरकारी नौकरियों के लिए पात्र बन सकें, जिनके लिए हिन्दी की योग्यता भी जारी की गई है। इस विषय पर कई प्रेस विज्ञप्तियाँ भी जारी की गई है। समय-समय पर अस्थायी मान्यता की अवधि भी बढ़ाई जाती रही हैं। बाद में कुछ संस्थाओं की परीक्षाओं को स्थायी मान्यता दी गई है। यद्यपि अभी कुछ संस्थाओं को अस्थायी मान्यता दी गई है।

हिन्दी शिक्षा समिति भारत सरकार में एक स्थायी संस्था है। यह समिति हिन्दी के प्रचार, प्रसार और विकास के संबंध में भारत सरकार को समय-समय पर सलाह देती है और सिफारिशें करती हैं। इस समिति की सिफारिशों के आधार पर स्वैच्छिक हिन्दी संस्थाओं की परीक्षाओं को मान्यता प्रदान की जाती है।

किसी भी स्वैच्छिक संस्था को चाहे वह स्वयं हिन्दी की परीक्षा आयोजित करती हो, या किसी भी मान्यता प्राप्त अन्य स्वैच्छिक हिन्दी संस्था के माध्यम से परीक्षा संचालित करती हो, मान्यता प्राप्त करने के लिए अखिल भारतीय हिन्दी संस्था संघ, 24, कोटला मार्ग, नई दिल्ली की मान्यता के लिए प्रस्ताव भेजना होता है। इस प्रस्ताव के आधार पर संस्था संघ परीक्षा की मान्यता संबंधी मानदण्डों और नियमों के अनुसार उस संस्था का निरीक्षण करता है और मान्यता के लिए मंत्रालय को अपनी सिफारिश भेजता है। इसके बाद मंत्रालय का अधीनस्थ कार्यालय केन्द्रीय हिन्दी निदेशालय की एक निरीक्षण समिति स्वतंत्र रूप से उस संस्था का निरीक्षण बनती है और अपनी रिपोर्ट हिन्दी शिक्षा समिति के विचार के लिए मंत्रालय की प्रस्तुत करती है।

कुल समाचार पत्रों में परीक्षा शीर्षक के अधीन यह समाचार छपा होता है कि हिन्दी साहित्य सम्मेलन प्रयाग (इलाहाबाद) की प्रथमा और मध्यमा परीक्षा को क्रमशः एस.एस.सी. और बी.ए. के समकक्ष मान्यता दी गई है। इस प्रकार के समाचार का स्पष्टीकरण इस मंत्रालय से समय-समय पर दिया जाता रहा है। कुछ वर्ष पहले उप शिक्षा मंत्री, श्री पी.के. थुंगन ने भी लोकसभा में स्थिति स्पष्ट की थी और बताया था कि हिन्दी साहित्य सम्मेलन की वास्तविक स्थिति भिन्न है क्योंकि यह एक स्वैच्छिक संगठन है न कि विश्वविद्यालय अथवा विश्वविद्यालय समझी जाने वाली संस्था। यह शिक्षा राज्य परीक्षा परिषद तथा विश्वविद्यालय के समान नहीं माना जाता है। इसलिए इस संस्था द्वारा आयोजित इन परीक्षाओं को केन्द्र सरकार द्वारा हाई स्कूल, इंटरमीडिएट और बी.ए. के बराबर मान्यता नहीं दी गई है। इस संस्था को केवल हिन्दी विषय की परीक्षा को संचालित करने की मान्यता दी गई है, भले ही, यह हिन्दी के साथ-साथ अन्य विषयों को भी तैयार करता हो।

पुनः यह स्पष्ट किया जाता है कि किसी पद के लिए निर्धारित किए गए हिन्दी स्तर के निर्धारण के प्रयोजन से हिन्दी साहित्य सम्मेलन की प्रथमा और मध्यमा परीक्षाओं को क्रमशः एस.एस.एल.सी. तथा बी.ए. के बराबर से मान्यता दी गई है।

पुनः यह स्पष्ट किया जाता है कि किसी पद के लिए निर्धारित किए गए हिन्दी स्तर के निर्धारण के प्रयोजन से हिन्दी साहित्य सम्मेलन की प्रथमा और मध्यमा परीक्षाओं को क्रमशः एस.एइसी प्रकार अन्य स्वैच्छिक हिन्दी संस्थाओं द्वारा संचालित हिन्दी परीक्षाओं की मान्यता के बारे में भी कहा जा सकता है कि ये परीक्षाएँ न तो किसी राज्य परीक्षा परिषद् और न ही विश्वविद्यालय के समकक्ष मानी गई है। जहाँ तक सरकारी नौकरियों के लिए इन परीक्षाओं की मान्यता का प्रश्न है, इस सम्बन्ध में यह निश्चय किया गया है कि यदि सरकारी अथवा गैर सरकारी कार्यालय, अर्ध सरकारी संस्था या शैक्षिक संस्था में किसी पद के लिए हिन्दी की कोई विशेष योग्यता निर्धारित की गई है तो इन परीक्षाओं से प्राप्त की गई योग्यताधारी व्यक्ति इन पदों के पात्र हो सकते हैं। परन्तु हिन्दी की अलग से यदि कोई योग्यता निर्धारित नहीं की गई है तो स्वैच्छिक हिन्दी संस्था से प्रमाणपत्र या डिग्री प्राप्त करने वाले व्यक्ति विश्वविद्यालय या राज्य परीक्षा परिषदों के प्रमाणपत्र या डिग्री की समकक्षता का दावा नहीं कर सकते हैं।स.एल.सी. तथा बी.ए. के बराबर से मान्यता दी गई है।

अतः उपर्युक्त विवरण के आधार पर, संक्षेप में पुनः स्पष्ट किया जाता है कि स्वैच्छिक हिन्दी संस्थाओं की मान्यता केवल संलग्न सूची में दर्शायी गई समकक्ष परीक्षा के लिए निर्धारित हिन्दी स्तर तक ही सीमित है और इसे पूर्ण प्रमाण-पत्र या डिग्री परीक्षा के बराबर नहीं माना जायगा। आम जानकारी के लिए संस्थावार मान्यताओं का विवरण संलग्न है।
